ITEM 9. ANY OTHER BUSINESS.

The Committee will be pleased to accept items for discussion at the AGM by no later than 24 Oct 24.

The Committee plans to discuss 3 additional items: Ineligible Players; Fulfilment of fixtures; and Captains communication requirement.

AOB 1: The AGM is invited to consider that where a Club has 2 teams in the League they SHALL NOT be allowed to create a single team for the KO Cup. This is deemed as an unfair advantage as the overall squad size on offer for the Club is significant.

AOB 2: The AGM is invited to consider strengthening the responsibilities placed upon a Team captain regarding adherence to the dress code. In particular, and prior to a fixture, the visiting captain should familiarise himself with the home clubs dress code etiquette and inform all team members accordingly. Should a visiting player subsequently arrive unsuitably dressed, he should be respectfully asked to change. Failure to change will mean that he will not be permitted to play.
